

Beyond Good and Evil – Friedrich Nietzsche

First published in 1886 at Nietzsche's own expense, the book was not initially considered important. In it, Nietzsche denounced what he considered to be the moral vacuity of 19th century thinkers. He attacked philosophers for what he considered to be their lack of critical sense and their blind acceptance of Christian premises in their considerations of morality and values. Beyond Good and Evil is a comprehensive overview of Nietzsche's mature philosophy. (Summary from Wikipedia)

Read by Hugh McGuire, wedschild, Chris Vee, Maddie, Rainer, Kara Shallenberg, Andrew Miller, Gesine and President Lethe.
